Collective

Rooted in a fifty-year legacy of artistic stewardship, Alekhya defines the evolution from ancestral mastery to contemporary expression. We curate India's most prestigious regional masterpieces and contemporary works, delivering an uncompromising luxury finish for those who do not just collect art, but inhabit a legacy.

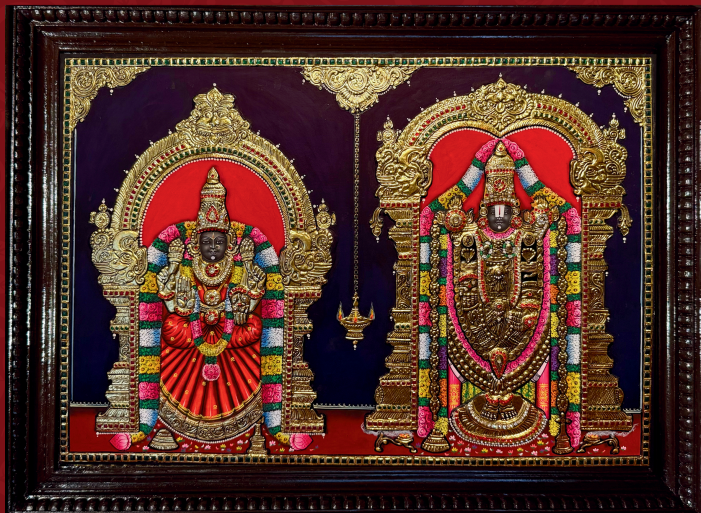

TIMELESS INDIAN HERITAGE SINCE 1975

The Tanjore Legacy

Centuries of devotion, captured in gold leaf and precious stones.

TANJORE PAINTINGS is a majestic South Indian art form originating from the 16th-century courts of Thanjavur, renowned for its opulent use of gold leaf and precious stones. This sacred tradition produces vibrant, soul-stirring masterpieces that serve as timeless symbols of prosperity and devotion.

Handcrafted Gold Foil Artistry

Our exclusive collection showcases this heritage through three exquisite styles: elegant Flat Work, textured Semi-Embossed, and our premier Full Embossed/3D Work. Handcrafted with genuine gold foil, each piece is an artistic triumph designed to bring a radiant, divine presence into your space.

Refined Mysore Artistry

A 16th-century tradition of muted elegance and intricate detail

MYSORE PAINTING is a refined South Indian art form originating from the 16th-century Wodeyar dynasty, renowned for its muted elegance and intricate detail. Our collection highlights this heritage through delicate linework and soft pastel hues, utilizing subtle low-relief gesso and pure gold leaf. These masterpieces focus on graceful shading rather than heavy texture, offering a sophisticated and serene royal aesthetic for any space.

Gold Etching

Heritage Sculpted in Gold

Discover the timeless artistry of **GOLD ETCHING** on Mirrors. This craft combines traditional etching with rich gold accents to create mirrors of unparalleled depth and beauty. Designed for spaces that value heritage and artistic excellence, these bespoke pieces bring a distinguished sense of luxury and bespoke craftsmanship to any interior.

SilverPhoto Frames

Radiant Artistry in Pure Silver Finishes

SILVER PHOTO FRAMES Inspired by classical silver artistry and contemporary decorative design, these creations are distinguished by their radiant metallic finish, intricate detailing, and sophisticated visual appeal. Revered for their graceful presence in luxury residences, heritage interiors, boutique spaces, and ceremonial settings, silver-finished artworks symbolize purity, prestige, and enduring beauty.
